Official Announcement

Dear all,

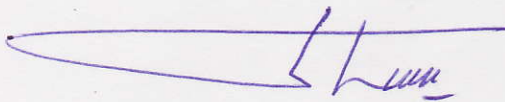

Greetings from Caritas Cambodia!

Caritas Cambodia is pleased to inform you that the localization of the management of Caritas-TAKEO EYE hospital as per plan and schedule developed earlier, has been completed. Following this, with effect from **February 2012**, **MA. Te Serey Bonn** will take over as Project Director, **Mr. El Nimeth** as Hospital Administrative Manager of Takeo Eye Hospital.

We also take this opportunity to record our sincere thanks and appreciation of the work done by **Sr. Myrna Porto** to Caritas-TAKEO EYE hospital as an experienced and committed development professional in the past 11 years. We are also glad that **Sr. Myrna Porto** will continue to serve as Technical Advisor to Caritas for Takeo EYE Hospital Project to guide the work of the new Hospital Management Team.

We take this opportunity to thank all the partners especially to the Royal Government of Cambodia for their wonderful cooperation and support in the past. While thanking, we request all your continued support and cooperation to enable **MA. Te Serey Bonn** and his new team to move forward with his new task so that a qualified Takeo Eye hospital will be able to contribute to the prevention of blindness, giving new sight to poor especially people with disability and promote inclusive society in the Kingdom.

With best regards,

Kim Rattana

Executive director of Caritas Cambodia
